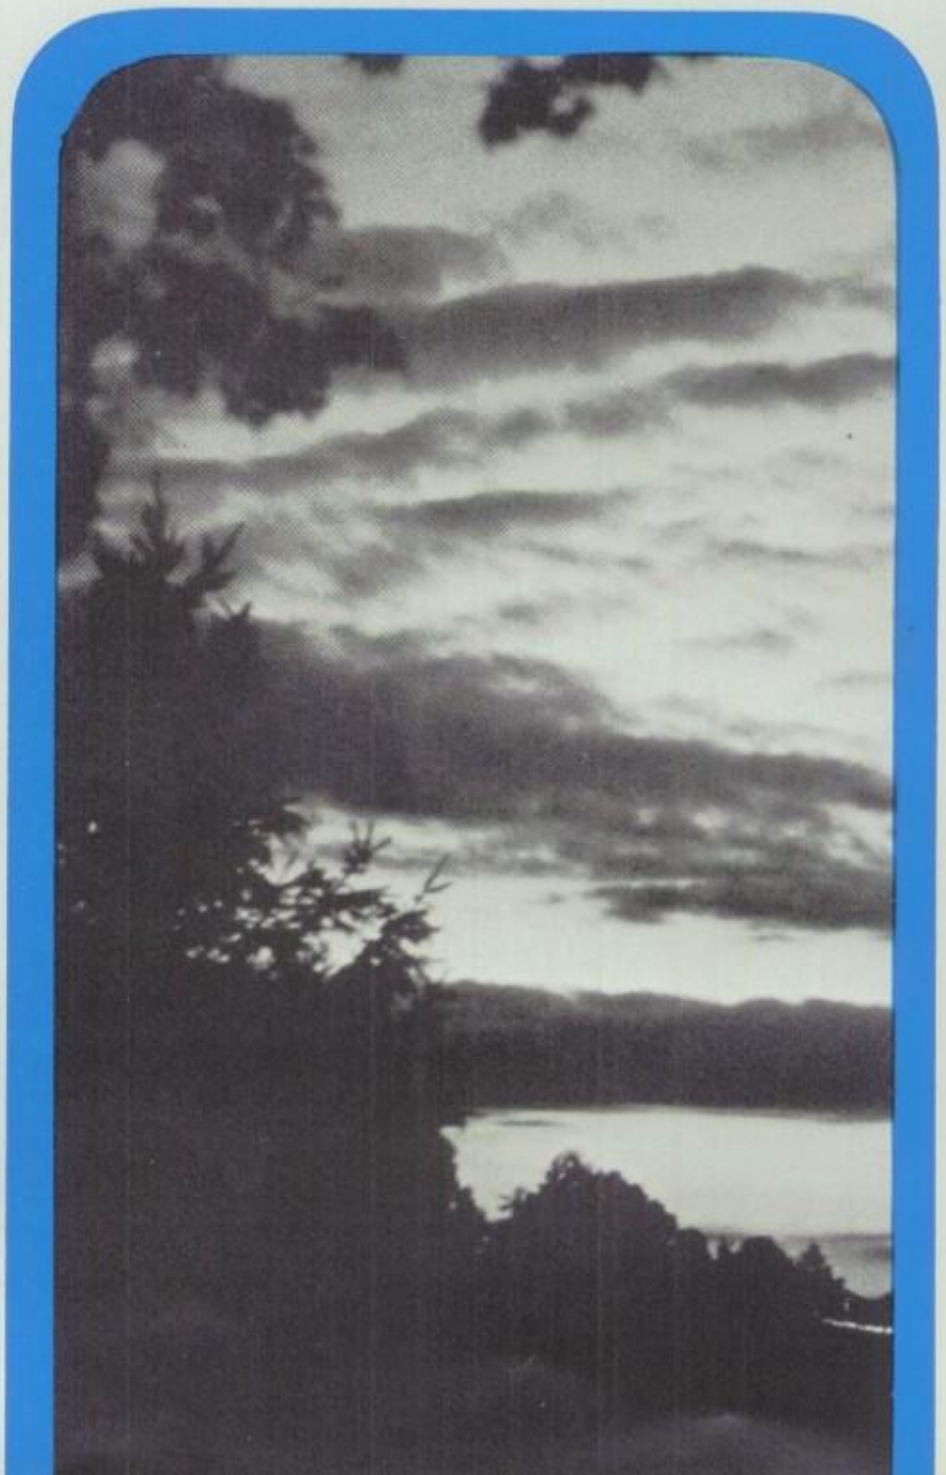
... and the
beginning
of another.



Don't walk in front of me
I may not follow.
Don't walk in back of me
I may not lead.
But walk beside me
And be my friend

Dear Paul-
I don't really have the camus words to say to you. You've been my friend for years, and I appreciate it. Friendship is the nicest thing you can give someone. You deserve all the happiness and love and peace that you get - you certainly given enough to everyone else. You're a wonderful person - don't ever forget that. Keep in touch - you're a real great guy.

Love,

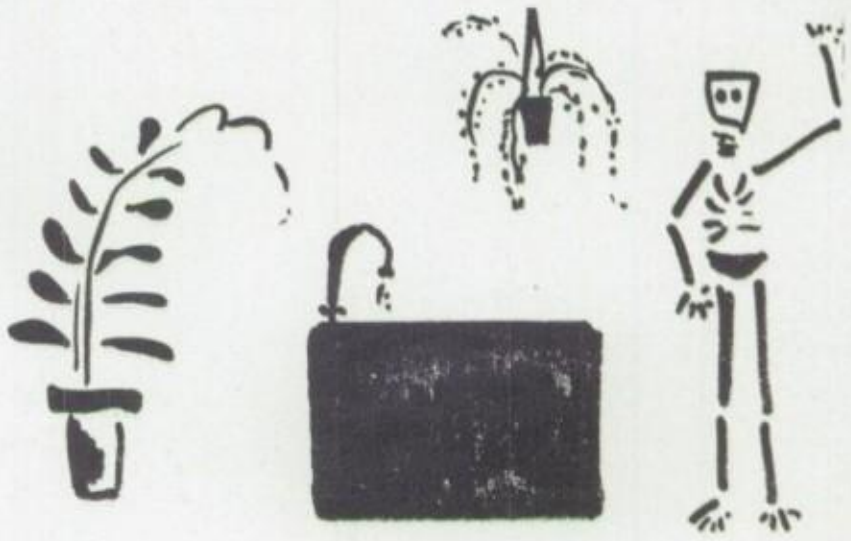
DEDICATION

The Class of 1975, upon graduation will be confronted with many perplexing situations. Nevertheless the advice and guidance we received from Mrs. Kalvoda will enable us to stand firm. She has always been generous with her time, and eager to help us with personal problems, studies and even career counseling.

Along with her duties as a biology and physiology teacher, Mrs. Kalvoda is also the coordinator for Northwestern's Gifted Program. She has always commanded the most from her students, and the Gifted Program has become a tremendous success.

Due to her efforts, we, the Class of 1975, look forward to the coming years with assurance, with optimism, and with confidence. We would like to thank Mrs. Kalvoda and dedicate the 1975 Key to her.

Class of '75'

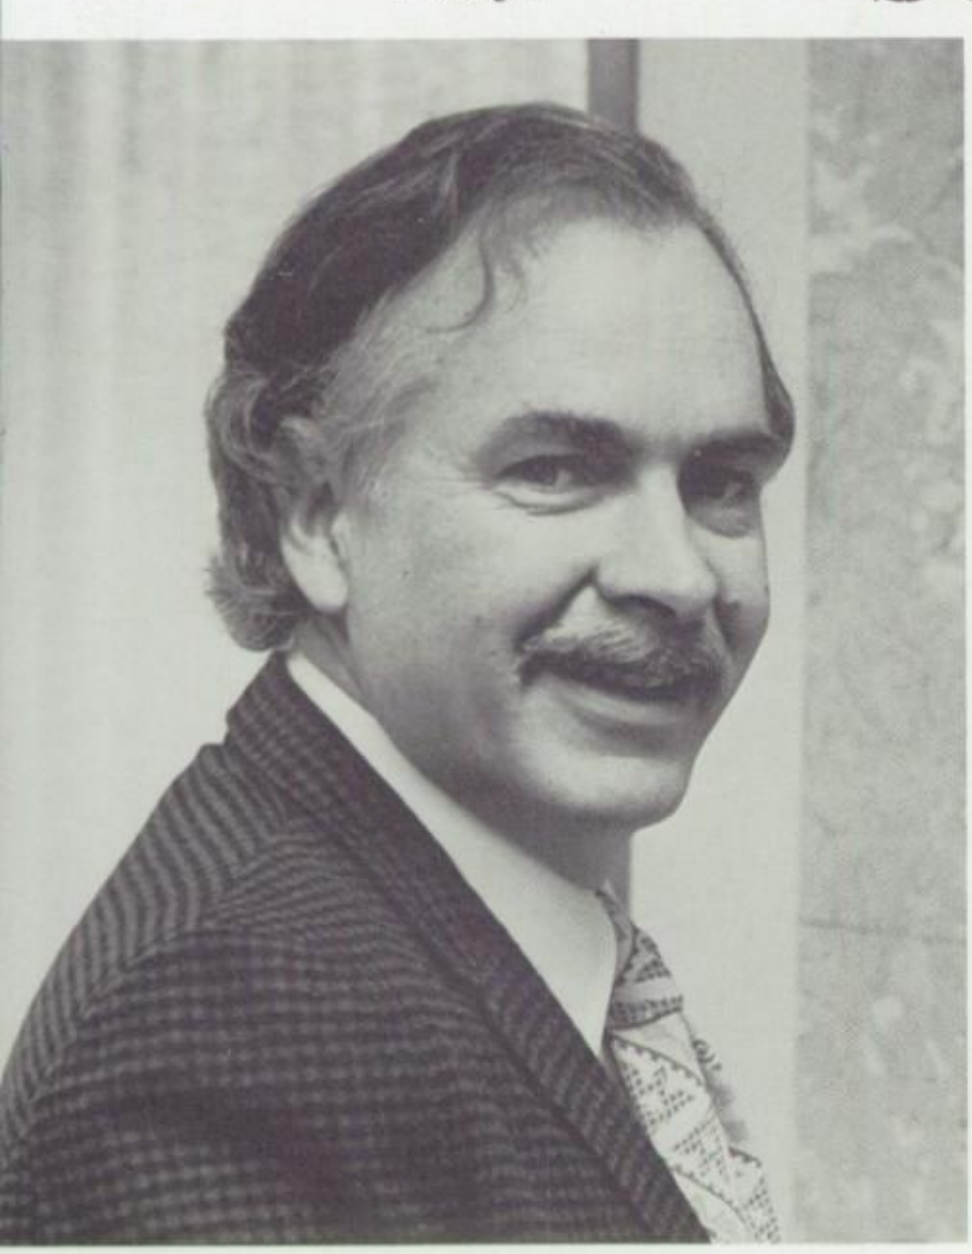


BOARD OF EDUCATION

The Board of Education at Northwestern is a very important group. The members, selected from Barkhamsted, Colebrook, New Hartford and Norfolk, are joined together to institute and uphold school policies. The Board also determines the school budget. All major changes must be approved by the Board of Education. They also deal with problems within the system. The members are: Nicholas Fanelli, Chairman; Eugene McMahon, Treasurer; Mrs. Norman Thompson III, Secretary; Gerard Connors, Richard S. Coffin, Ernest B. Sinclair, R. Merritt Stevens, and John Toffolon.

SUPERINTENDENT

Mr. Rogers



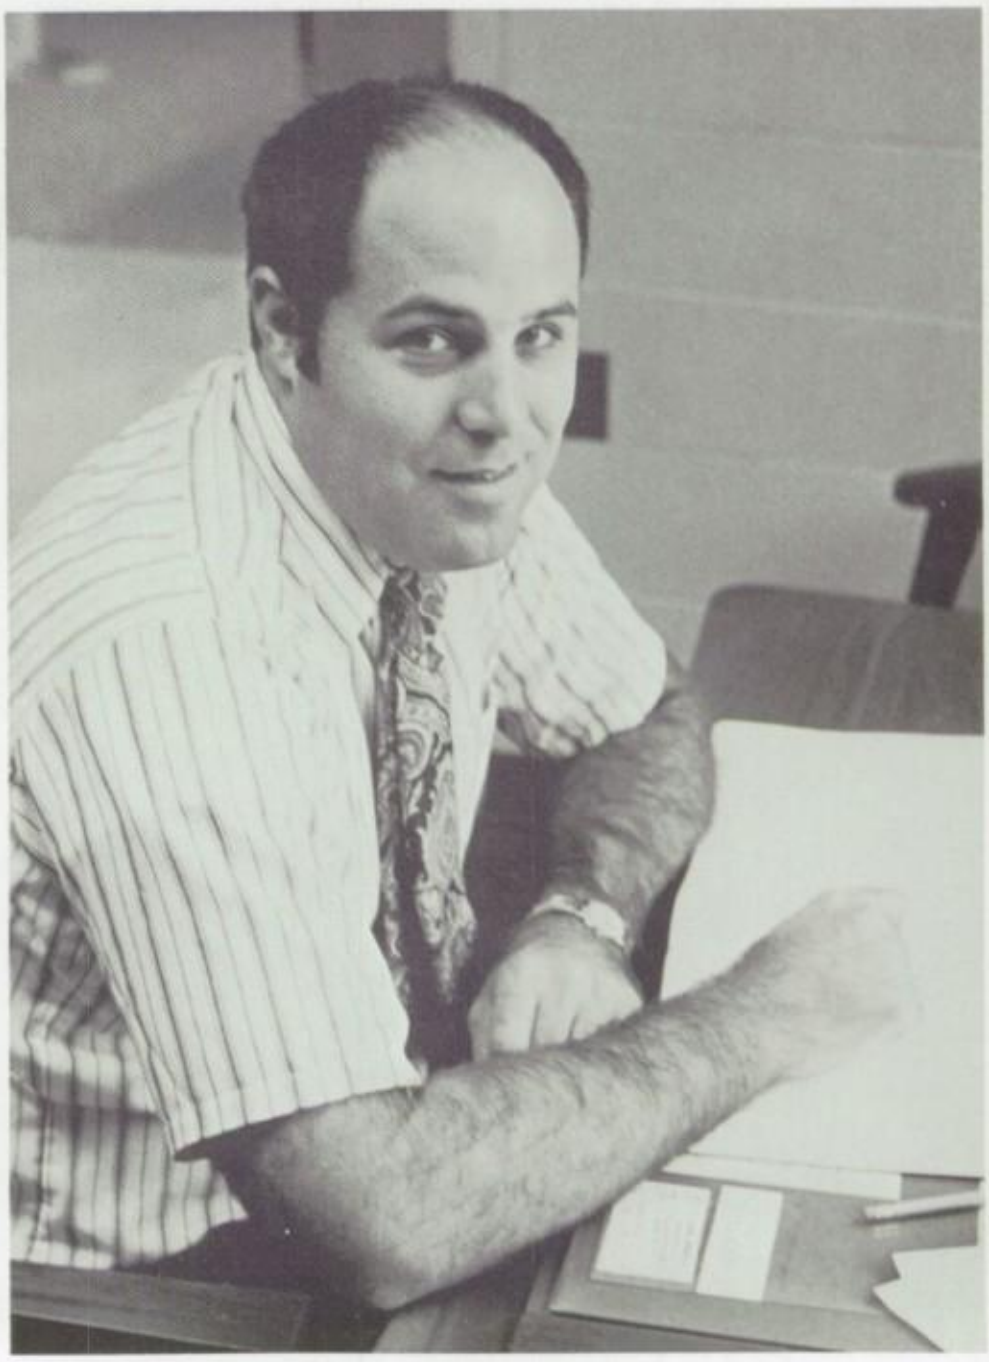
Mr. Rogers is a representative of the district towns for the Board of Education. He is also the superintendent at Northwestern. While working at this job he has to make decisions concerning the welfare of his students. He is working to find a better way of education, and by looking around the school, it is evident that he has proceeded well along the pathway to that goal.

PRINCIPAL

"The most important job of a school is to create a climate that students and teachers can be fully functional in," says Mr. Joseph C. Bickford, principal at Northwestern. For the past two years, this has been his goal. Through his efforts he is making education more effective here at Regional.

In addition, Mr. Bickford is responsible for developing a budget, keeping track of textbooks and supplies and assisting the administration in constructing schedules. This year, he is planning major revisions in the curriculum in association with the curriculum task force. "We want all students to have a program of studies that will prepare them for the future."

Mr. Bickford

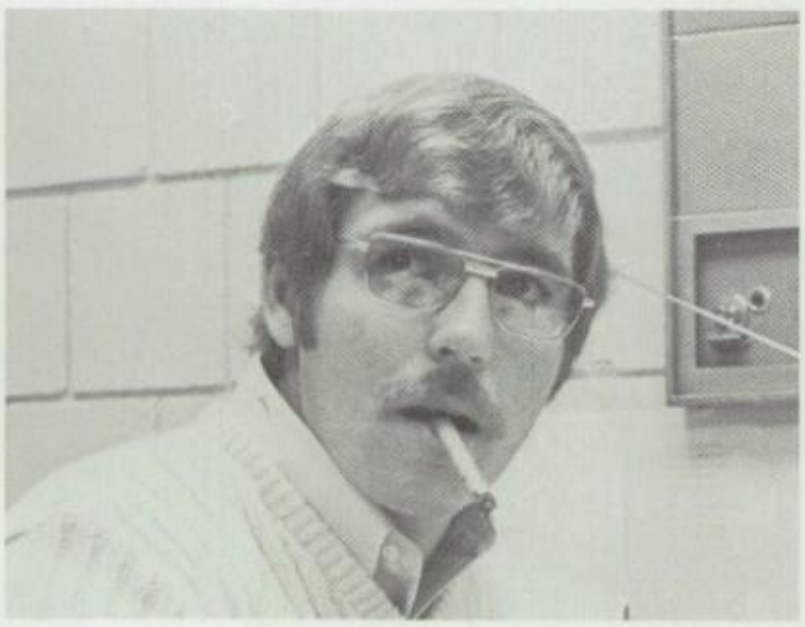


HOUSEMASTERS AND GUIDANCE

Housemasters at Northwestern are Mr. Robert Chester, Mr. Lawrence DeJohn, and Mr. Paul Zajac. They are faced with the unpleasant job of handling cut slips but are always prepared to give students a second chance. They keep in constant contact with the students in and out of their houses and are always ready to give a needed word of advice. They work hard to keep an orderly but friendly atmosphere.

Members of the Northwestern Guidance Department are: Mr. Charles Fray, Mrs. Margaret Kauppi, and Mr. Richard Tresky. Mr. Lawrence DeJohn is Guidance Director.

The purpose of the Guidance Department is to help students with academic as well as personal problems. They offer specific services such as administering college entrance and achievement tests. The counselors are always open for consultation or just to rap with.



SECRETARIES

Mrs. Grant

Mrs. DePaoli

Mrs. A. Browne

Mrs. D. Brown

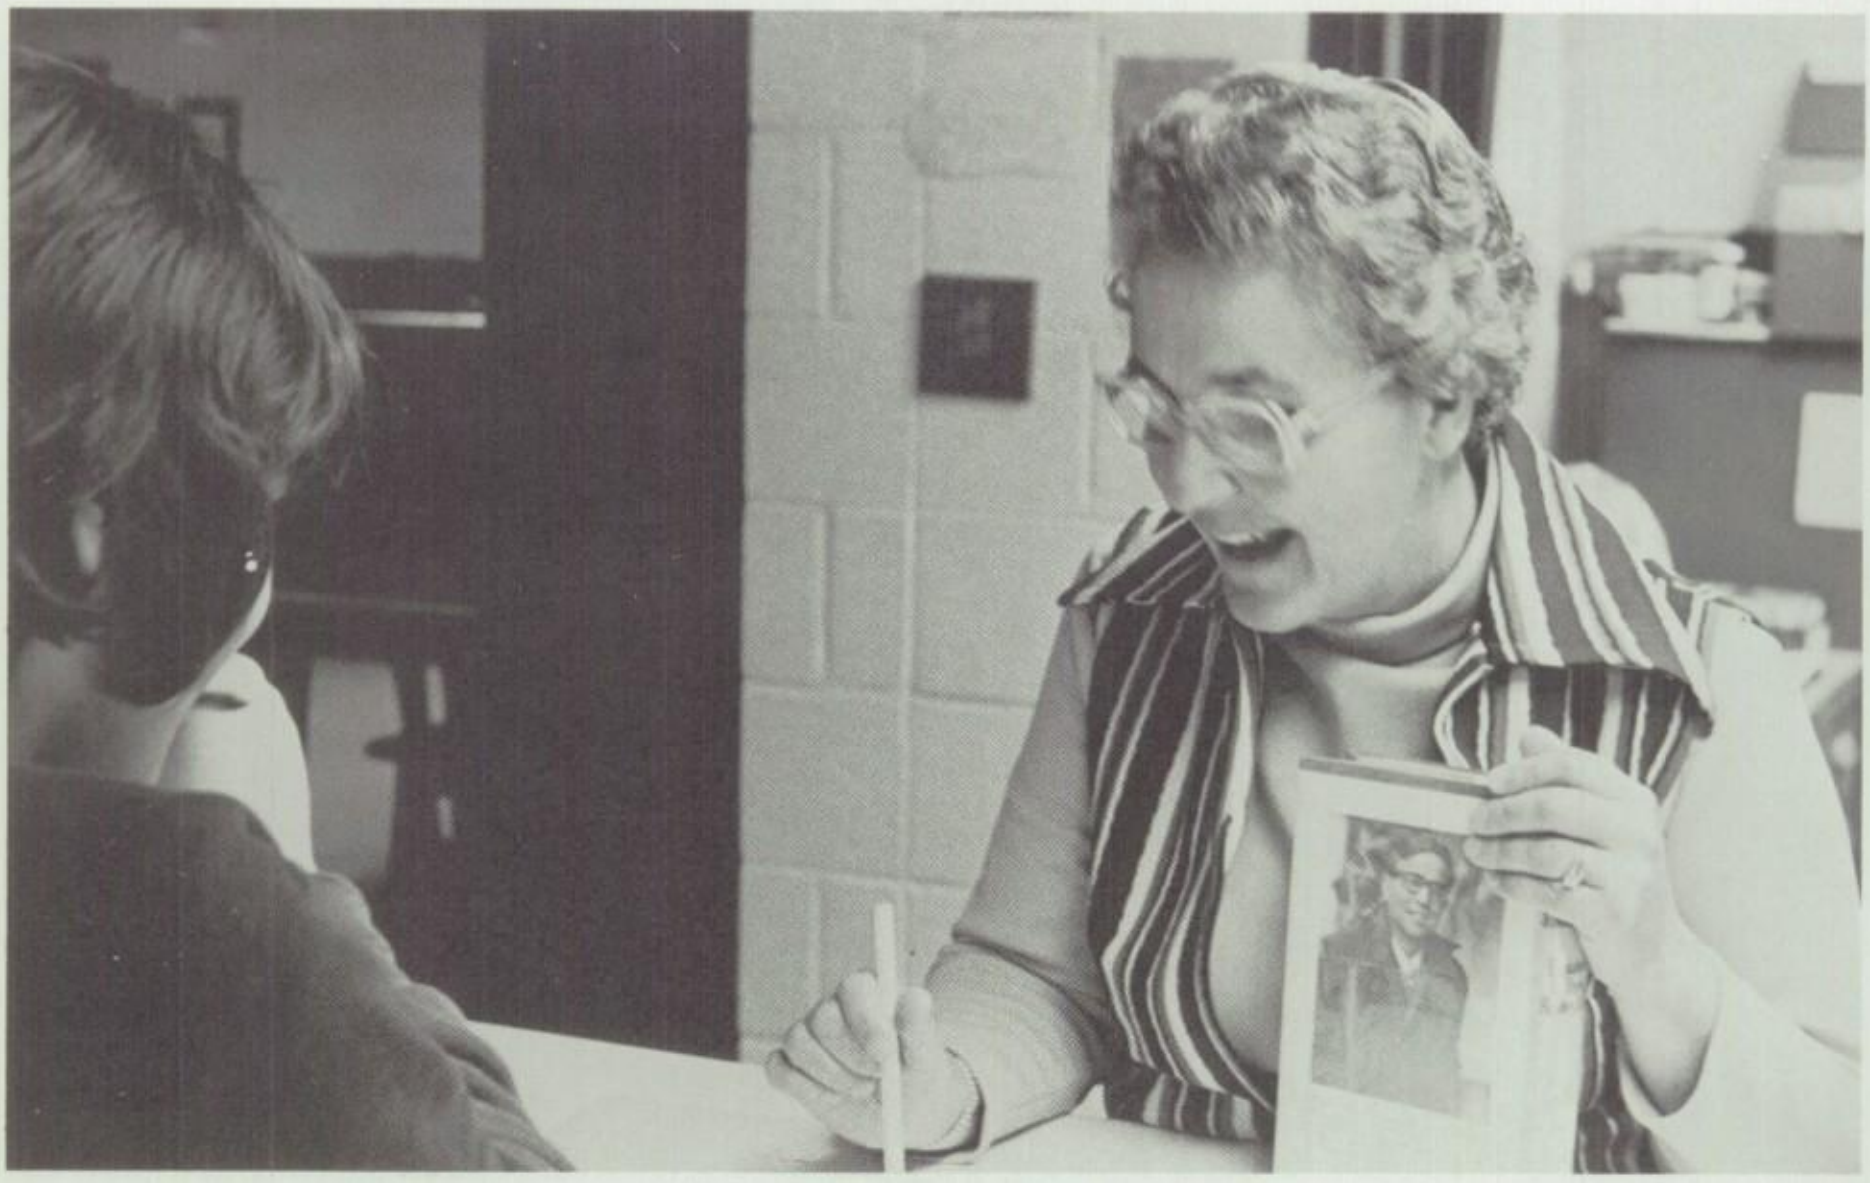
Mrs. Austin

Mrs. Reese

Mrs. Frink

Everyday the secretaries at Northwestern go through the routine of checking attendance and typing the daily announcements. They assist house masters and guidance counselors when it is deemed necessary. Each morning they greet every passing face with a cheery smile and "Good morning!" For that and many other favors, thanks!!

MEDIA CENTER



Mrs. Kittredge

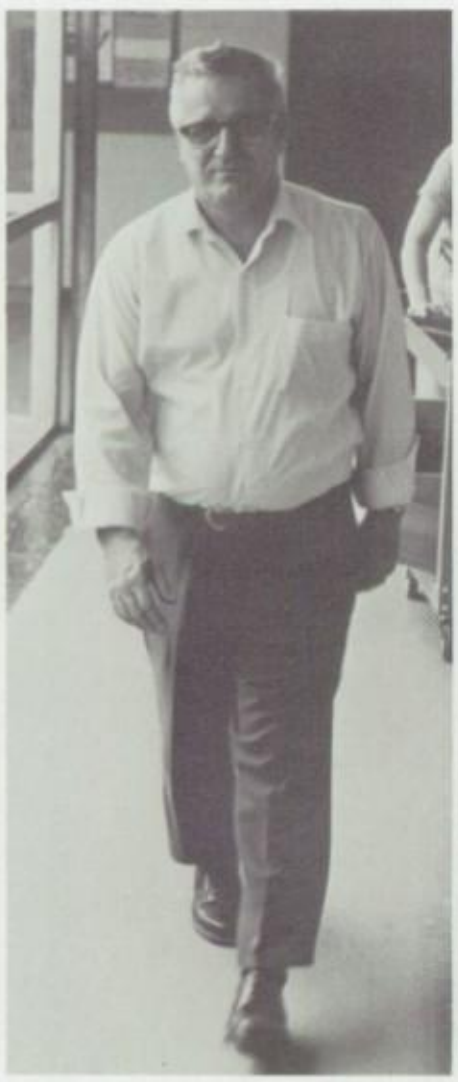
Mr. Newbury

The Media Center offers a wide selection of reading material and audio-visual equipment. It's a quiet place to go when you want to study or just be with friends. The aides along with Mrs. Kittredge and Mr. Newbury are always willing to help a confused mind.

Aides to the Media Center are: Liz Cox, Glenn Edwards, Matt Fenton, Colin Griffin, Jody Griswald, Jeff Halnon, Bruce Hunter, Jimmy Knees, Chris Kremski, Emil Maendel, Jason Marshall, Laura Misani, Walter Pedersen, Gail Pinkham, Ronnie Steeves, Michele Ward, David White, and Helen Whitney.

COOKS

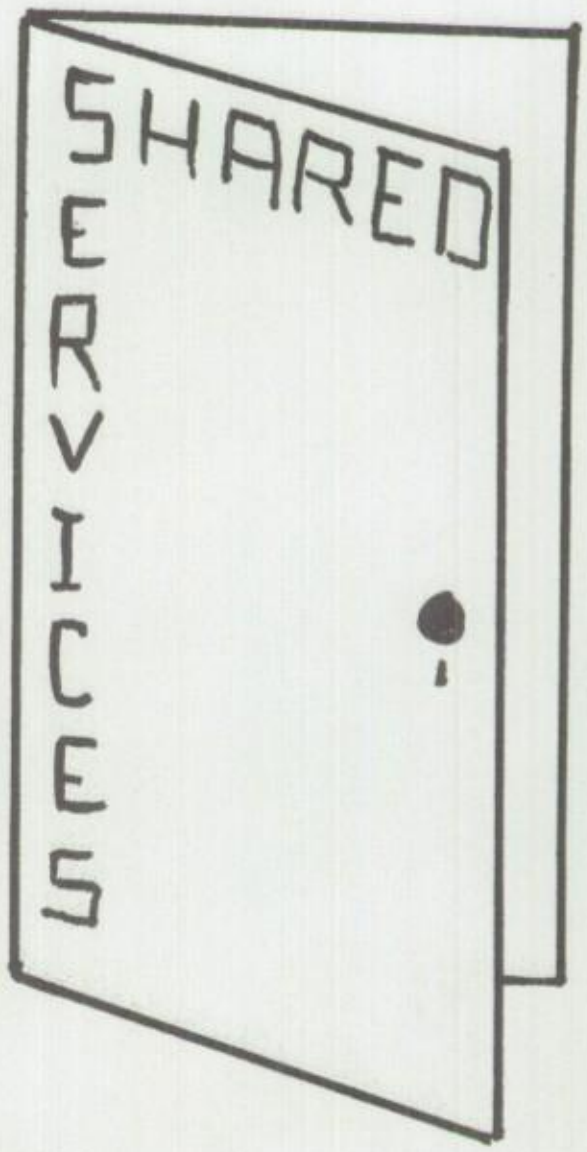
CUSTODIANS



NURSE

Mrs. Perry, our school nurse, has spent a number of years patching up wounded knees and wounded hearts. Every day she has been available to aid students. We can almost always find her office occupied by students who have come to talk with her. The students admire her for her personality as well as her expert care.

SHAREDSERVICES



The Shared Services building, located behind the cafeteria, has many diverse and special services to benefit the Regional #7 student. Performing these services are: Mrs. Patricia Keener, Learning Disabilities; Mrs. Rita K. Thein, Reading; Miss Mary Amenta, Speech and Hearing; Mrs. Lois Eaton, Supplementary Teaching; and Mr. Landgraf, Mr. Zierzow, Mrs. A. Kalvoda, Mr. Dyer, the Program for Academically Talented Students. Also included are Psychological Services performed by Mrs. Naomi Bressette and Jack K. Plummer, Ph.D.

The Shared Services people are very congenial. They are always willing to help a troubled student or even someone who just wants to talk. They are truly needed friends.

THE GRADUATE

So many thoughts
and feelings, Lord
All runnin' together
My little routine's
all broken up now.

And my friends, Lord
So hard to say good-bye.
Seems Strange
Been with 'em so long.
The laughs.
Raps.
And just goofin' around.

Got to get it together, Lord
New friends.
Places
Things to do
Guess I'm a little shook.
Uncertain.

But You're there, Lord.
You always are.
So great to know yor care
About me... and what I do.
That I'll make the right moves, Lord
... out there!

A FRIEND OR TWO

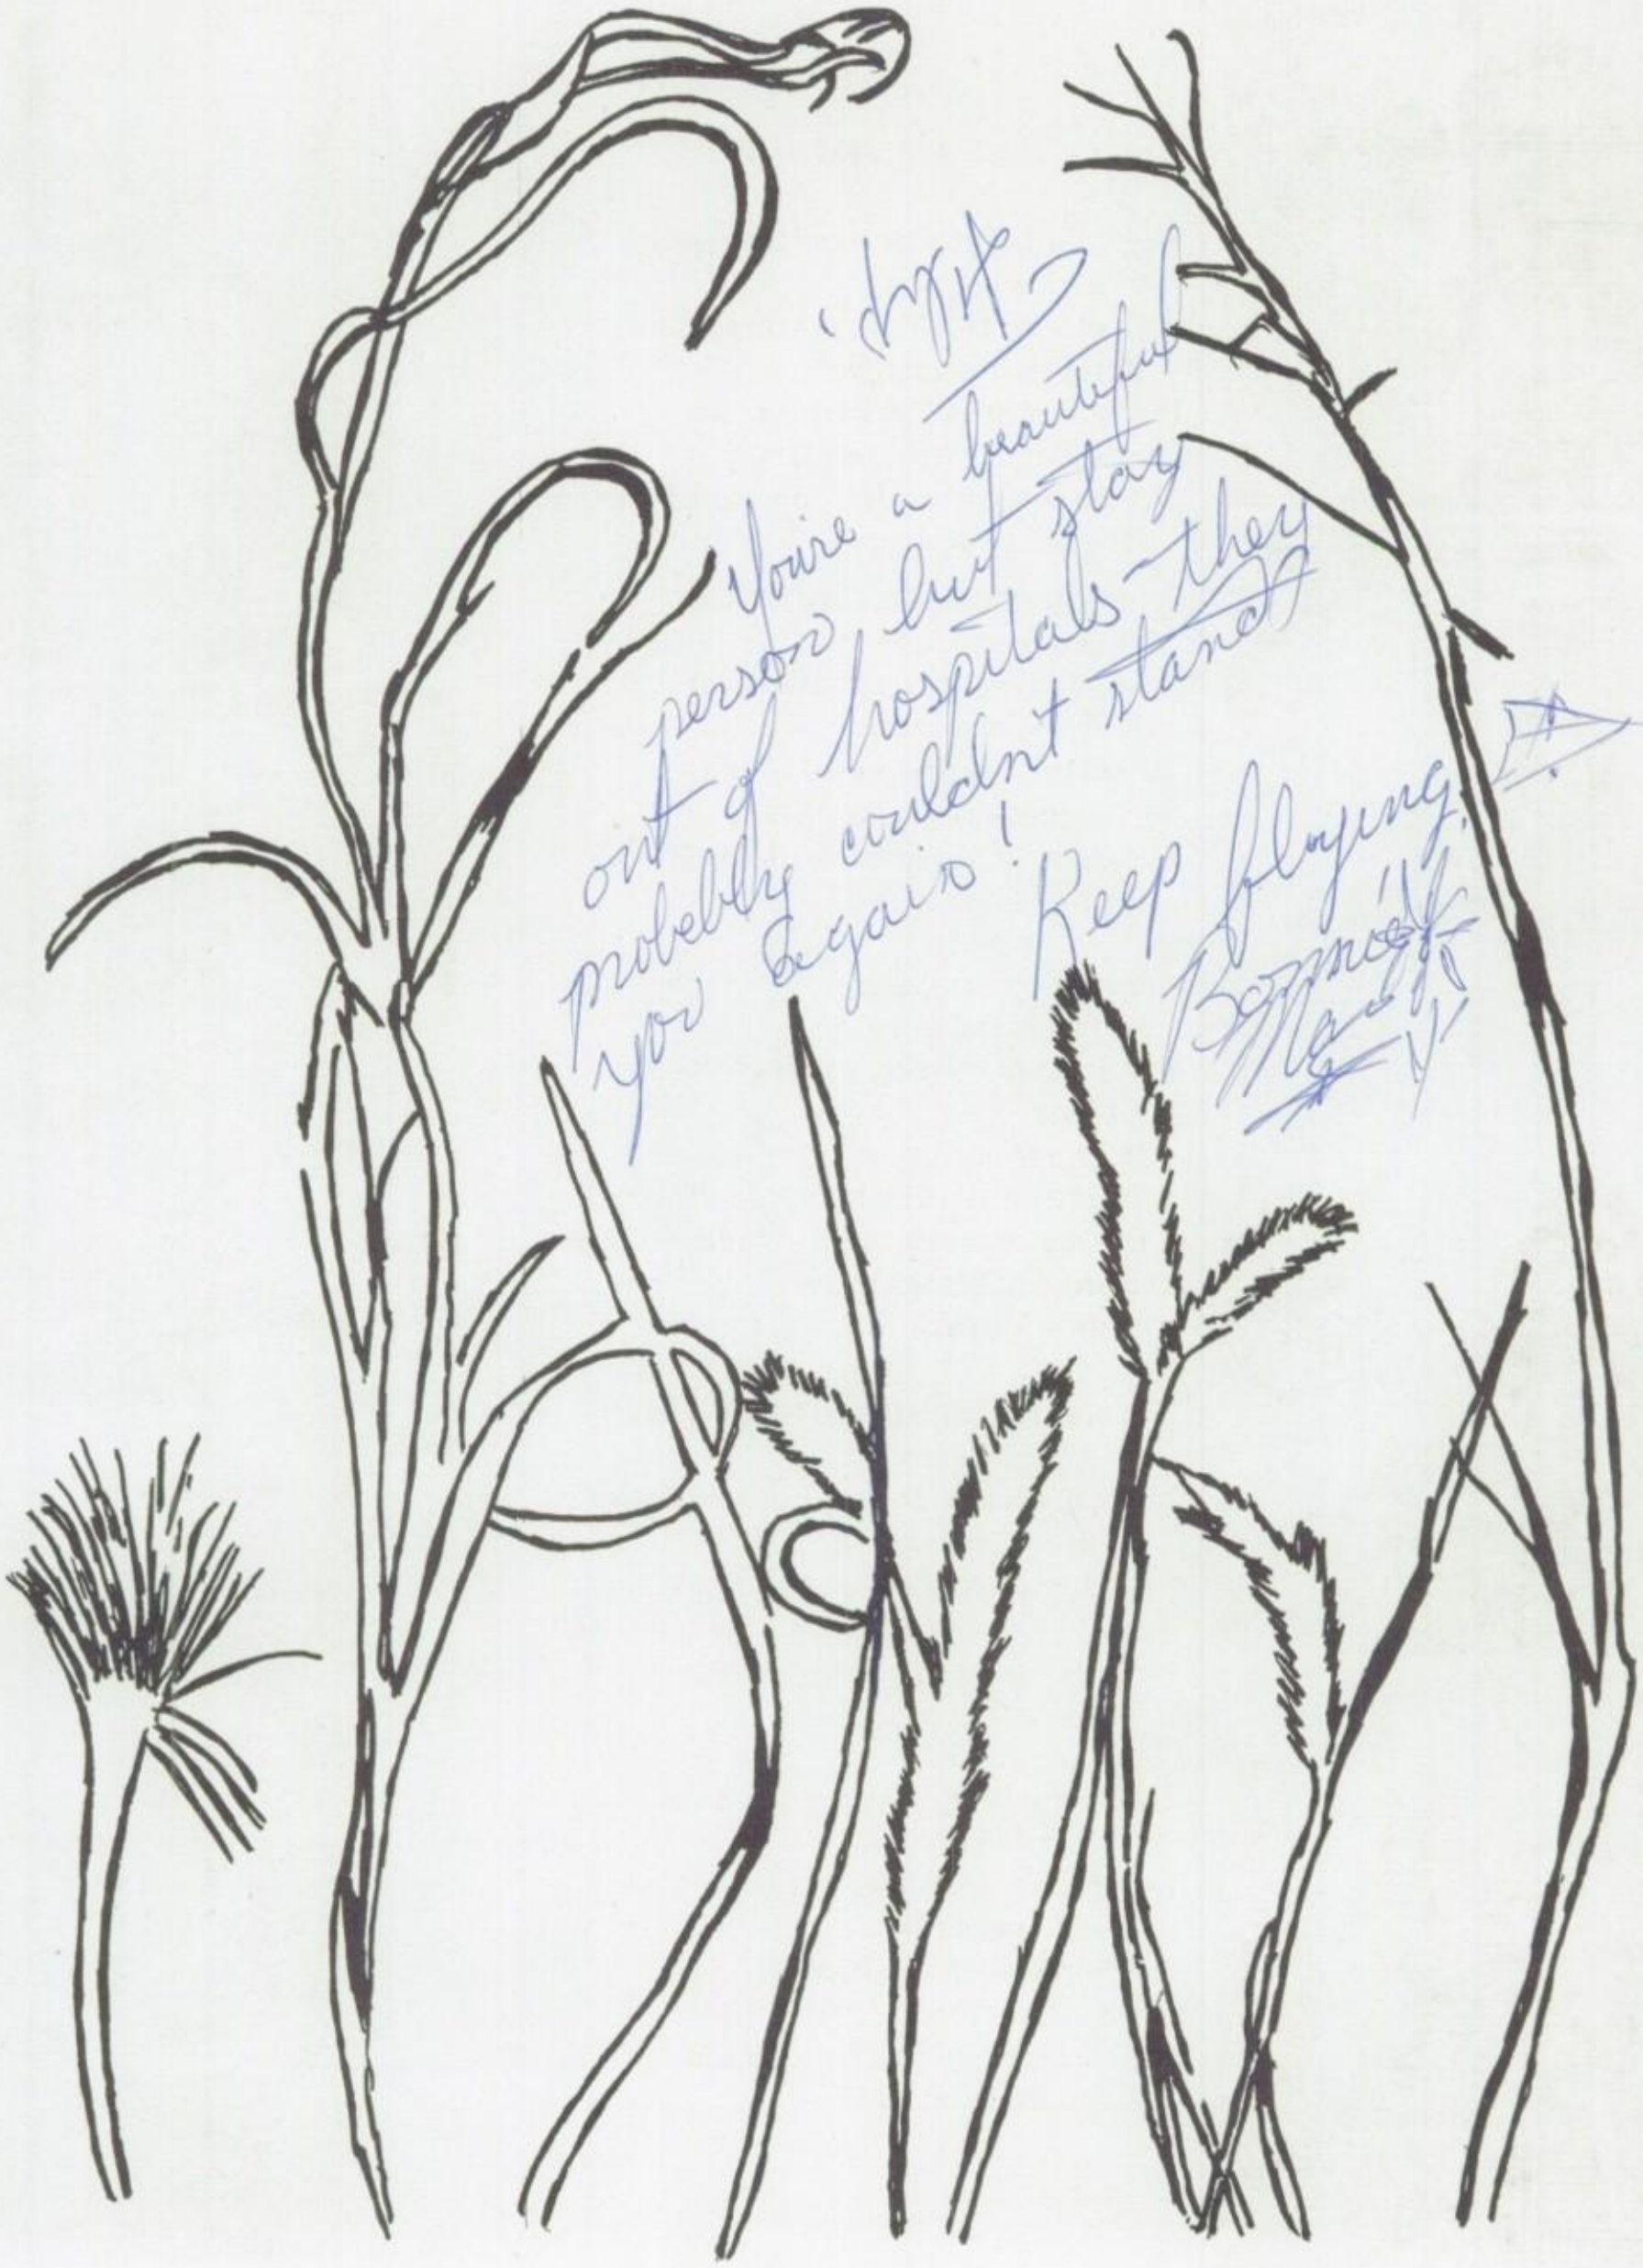
There's all of pleasure and all of peace
In a friend or two;
And all your troubles may find release
Within a friend or two;
It's in the grip of the sleeping hand
On native soil or in alien land,
But the world is made — do you understand —
Of a friend or two.

A song to sing, and a crust to share
With a friend or two;
A smile to give and a grief to bear
With a friend or two;
A road to walk and a goal to win,
An inglenook to find comfort in,
The gladdest hours that we know begin
With a friend or two.

A little laughter; perhaps some tears
With a friend or two;
The days, the weeks, and the months and the years
With a friend or two;
A vale to cross and a hill to climb,
A mock at age and a jeer at time —
The prose of life takes the lilt of rhyme
With a friend or two.

The brother-soul and the brother-heart
Of a friend or two
Make us drift on from the crowd apart,
With a friend or two;
For come days happy or come days sad
We count no hours but the ones made glad
By the hale good times we have ever had
With a friend or two.

Then brim the goblet and quaff the toast
To a friend or two,
For glad the man who can always boast
Of a friend or two;
But fairest sight is a friendly face,
The blithest tread is a better pace,
And heaven will be a better place
For a friend or two.



Dear,
You're a beautiful
person but stay
out of hospitals - they
probably couldn't stand
you again!
Keep flying,
Bonnie
Carl V.

As the seasons come and go, they bring changes with them. Next year's soccer season will bring a big change for the Junior Varsity soccer team.

For many years Mr. Perry has coached the J.V. Tigers. With the end of this year's season Mr. Perry's soccer days came to a close.

There's no question that Mr. Perry deserves a long rest after his years of service. He can look back with pride upon the men he prepared for Varsity soccer.

The J.V. team can't help but feel a bit sad at losing such a fun loving fellow for a coach. He taught them too much not to have them miss him.

We're glad that he has given us so many great teams to be proud of. Thanks Mr. Perry!

GIRLS VOLLEYBALL

The first year of volleyball at Regional, coached and advised by Mr. Scott, wasn't very successful competitively. Even so, all who participated had more than their share of good fun. The rather short season ran September through November and the girls practiced on late bus nights. Many players displayed talent and the major reason for losses was lack of team coordination. If they get it "more together" next year, they'll win more.

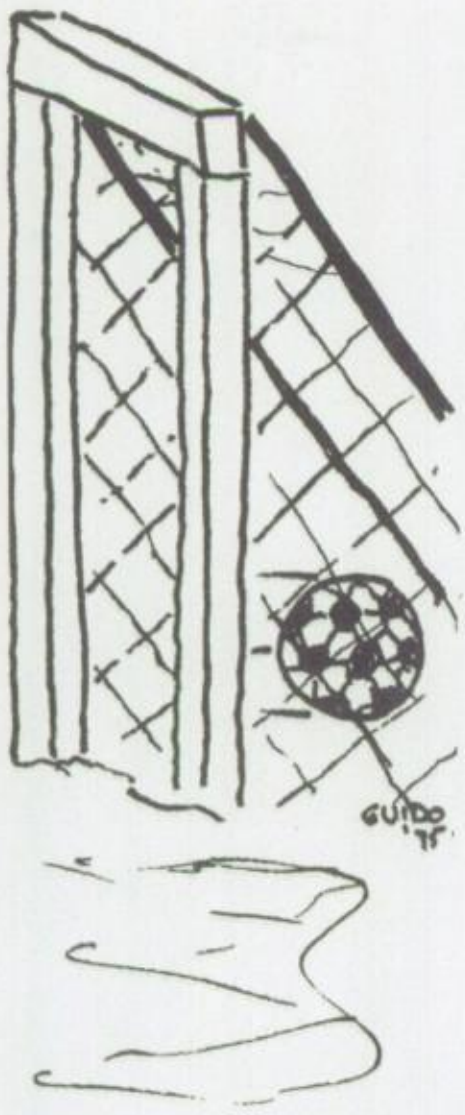
JR. HIGH CHEERLEADERS

1974-75



The 1974 Varsity Soccer Team had a fairly successful season this year. They were lead in scoring by one senior and two sophomores. Senior Paul Pieszak lead all scorers with 11 goals and 6 assists. He was followed by Glenn Lefeber who had 11 goals and 2 assists; and Bob Kaminsky with 8 goals and 4 assits. The team as a whole outscored their opponents 44-14. Mike Connor, the Highlander's goalie, had a fine season, making approximately 145 saves and having 8 shutouts. Mike was backed up by fullbacks John Wood, Fred Benjamin, and Ed Bsullak who all played fine defensive games. The team played well together to compile a final 8-4-2, win-loss-tie record.

1974-75

The Varsity Basketball Team, coached by Mr. Leon Veretto, had an improved season this year. They were lead by the scoring ability of senior, Mike Connor (19.5 pts/game); soph., Bob Kaminsky (16.5 pts/game); senior, Mark Lovley (11 pts/game) and senior, Rich Weingart (9.6 pts/game). The Varsity team compiled a 9-11 win-loss record. They were also aided by the fine rebounding of Mike Connor (13.1 average) and Mark Lovley (8.3 average). Marty Summa and Paul Pieszak provided good ball handling and defensive plays. The other members of the varsity team were: senior, John Wood; and juniors, Tim Triggs, Eli Ford-bey, Rick Patterson, and Al Johnson. Although Mr. Veretto is losing six members of this year's eleven man team, he can look forward to a fairly experienced team next year.

Band activities range from parades to formal concerts. As far as parades go, the first endeavor is Band Day at the University of Connecticut in Storrs. This usually happens in mid November. In the Spring you can see the band marching around the school practicing for the parades. The band performs four annual concerts per year including an exchange program. This year the exchange program is with Simsbury. The band also provides music for Graduation Ceremonies.

The Dance Band performs at concerts and dances each year. The Junior High Band also engages in the same parade as the Senior Band.

A selected number of students are chosen for certain activities such as: All-New England, All-State and Central Northwest. All-Conn. and All-New England requirements include personal auditions. Central Northwest requires the recommendation of the Director.

The students are:

Chorus is a group composed of approximately 70 students. Their voices range from bass II to a soprano I. The Chorus performs at many concerts and school functions throughout the year including graduation. During the summer they also tour the area elementary schools.

This year, as in other years, a number of chorus members are chosen for the Central Northwest Division Festival. Here they have a chance to sing with other students from around Connecticut and also have the experience to have a new director. The students chosen were: Matt Fenton, Mike Halloran, Gail Krom, Sabrina Lavieri, Cheryl Monyak, Ted Murphy, Jackie Parsons, Kim Parsons, Tim Walker, and Pam K. Wilcox. Kim Parsons was also chosen for the All-Connecticut Chorus.

BANG!

"It was strange."

"It was different."

"It was dy-no-mite."

"It was a blast!"

"It was enlightening."

"Scintillating experience."

"Hair- raising."

"It was traumatic."

"It was scary."

"Set my heart afire."

On January 29th at 1:00, ceremonies were held for a group of seniors graduating early. Each of the 26 students has completed all requirements necessary for graduation. These January graduates have the opportunity to start college a semester early, or they may get a job to earn the money needed to further their education.

Each student received a certificate of his graduation from the chairman of the Board of Education, Nicholas Fanelli. All seniors were invited to attend the ceremonies and later joined the graduates for refreshments.

MIXED DOUBLES

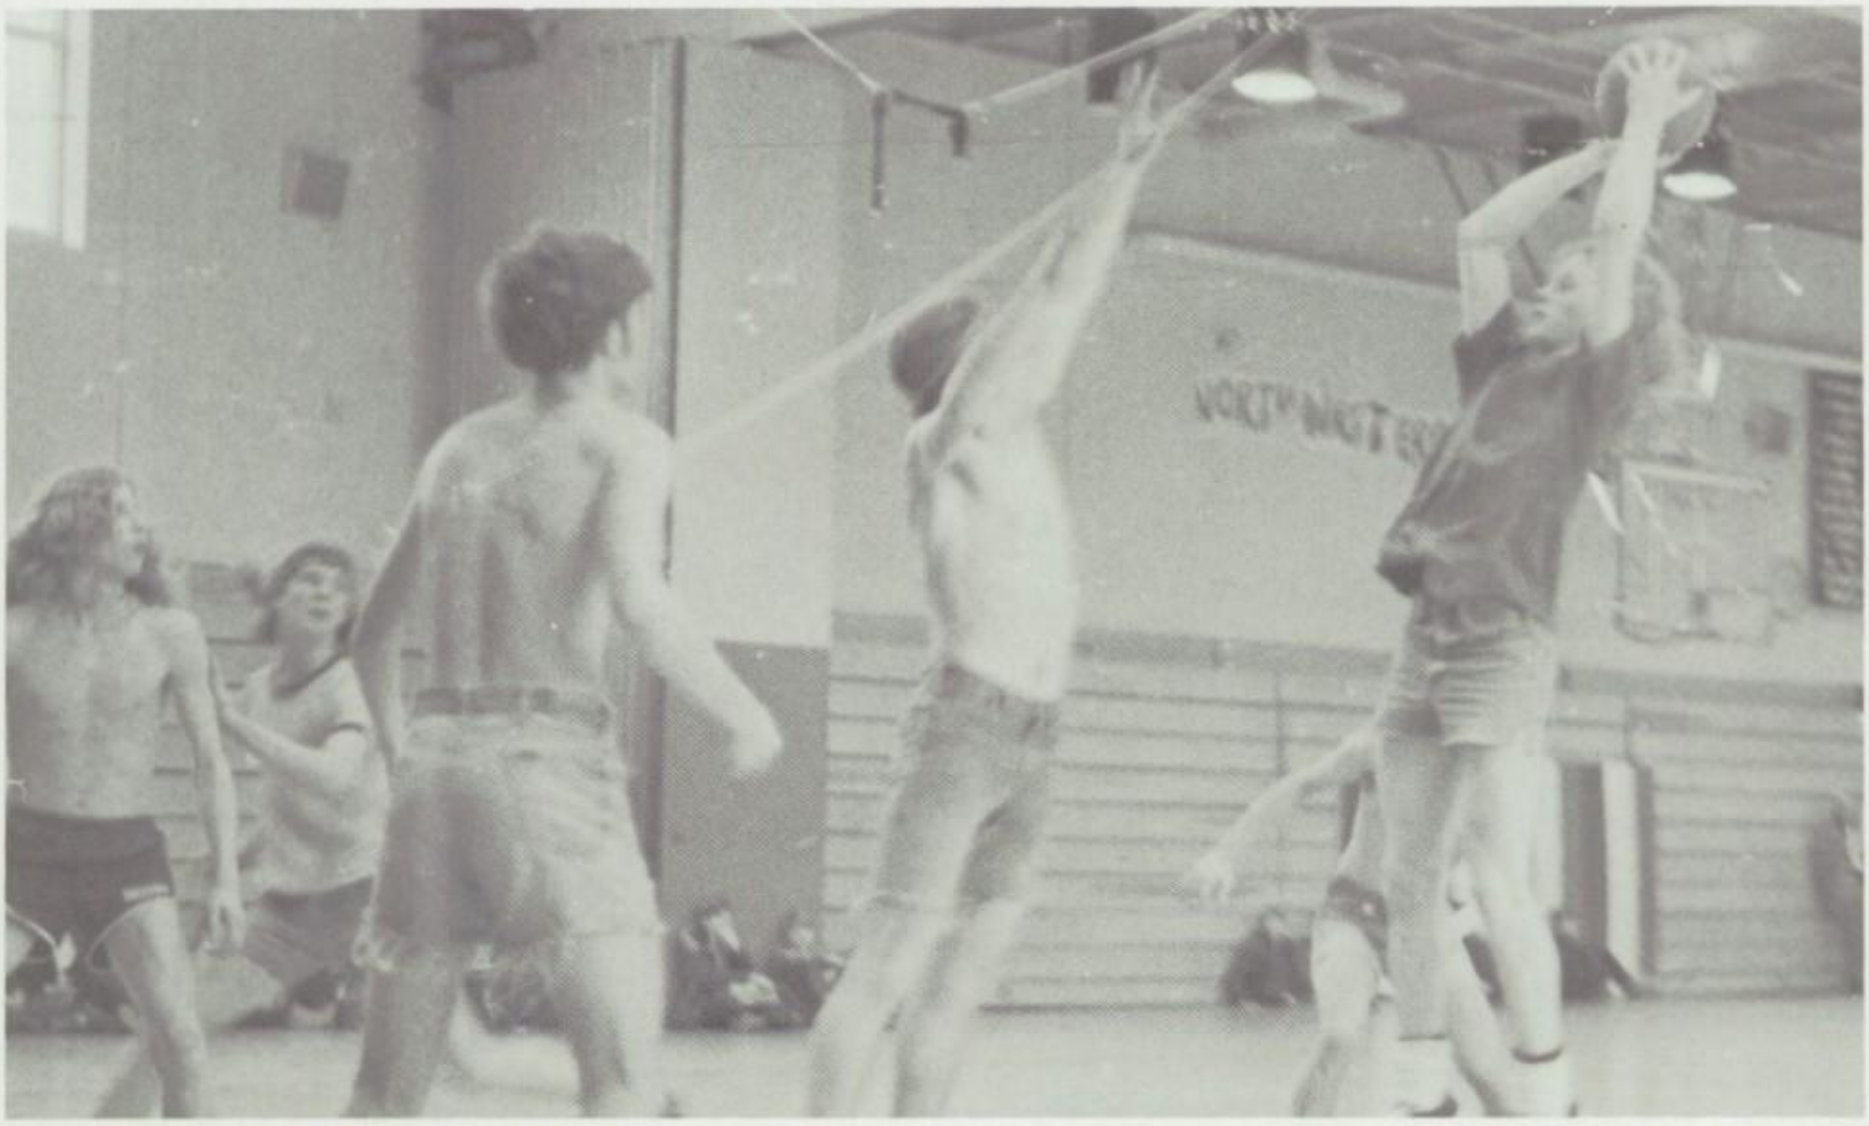
The Annual Badminton Tournament, organized by Miss Anne Twomey, has been an activity at Regional #7 for the last three years.

Approximately 150 students participated in the event.

The tournament was a success and created a great deal of involvement. All participants enjoyed themselves and are anxiously awaiting next year's tournament.

WOMEN'S DOUBLES

JR.-SR. BASKETBALL GAME



SENIORS 27-17 JUNIORS

On March 7, junior and senior rivals met in a clash on the basketball court. As the players battled feverishly, the spectators were also entertained by two teams of cheerleaders dressed in just about anything they could find. The outcome was inevitable as the seniors dribbled to a 27-17 victory.

Friends

I hope today will be a lighter highway
for friends are found on every road.
Can you ever think of any better way
for the lost and weary travelers to go?

•

Making friends for the world to see,
let the people know you've got what you need.
With a friend at hand you will see the light.
If your friends are there, then everything's alright.

•

It seems to me a crime that we should age
these fragile times should never slip us by.
A time you never can or shall erase
as friends together watch their childhood fly.

The advisors of the 1975 Yearbook would like to express their thanks to the following students for collecting over $1500 of advertisements. Through their efforts this money helped to reduce the cost of each yearbook by $5.00 Thus each yearbook buyer owes a debt of gratitude to these people:

Debbie Giansiracusa, Mary Follert, Valerie Rubino, Allan Keiller, Lorren Otis, Debbie Moreschi, Pam Wilcox.

The advisors would also like to express their appreciation to Miss Claudia Mossman and the school store staff for their help and support of the business staff.

A recent addition to Northwestern is the School Store. Under the management of Miss Claudia Mossman, the store sells everything from pencils and candy bars to jackets and stuffed animals!

Students may sign up to work in the store during one of the lunch periods. This course is taken on the same basis as a regular class.

The store orders special jackets for the band. They also order shirts for the sports teams. It is a convenience for all students who run short of school supplies and, for the students who work there, it is a place where they can practice the art of business management.

Out of high school
and into . . . what?

Into the Navy. If it's opportunity you're after. And challenge.

The opportunity to train for highly-skilled jobs, if you qualify.

The challenge of good, hard, meaningful work. Doing your own job. Leading others.

And there's that wide world out there to travel. With all the excitement. Fun. Friends. And your share of decks to swab and chores along the way.

A good job. A good life. The Navy: It's a good deal. Talk to your Navy recruiter. Today. He can tell you what you qualify for before you enlist. Or phone *800-841-8000* toll-free. Anytime.
